

CENTRAL MURRAY & GOLDEN RIVERS FOOTBALL NETBALL LEAGUES

Media Release - Ultima FNC Application Outcome

October 31 2024

Last night, a special general meeting of the Central Murray and Golden Rivers Football Netball Leagues was convened to address the application from the Ultima Football Netball Club to depart the Golden Rivers FNL and join the Central Murray FNL for the 2025 season and beyond.

In accordance with Section 7.2 of the Central Rivers By-Laws, a vote was held to determine the outcome of this application. For the move to be approved, a 75% majority in favour from the CMFNL was required. With Ultima FNC receiving the 75% approval vote from the Central Murray Clubs. Consistent with Section 7.2 of the Central Rivers By-Laws, the Golden Rivers Clubs were also required to vote, with 83% objecting to the move.

The final decision sat with the Central Rivers Board, and after careful consideration of the respective Leagues voting results, the Central Rivers Board have voted against supporting the Ultima FNC application for Season 2025.

While this decision does not allow for Ultima FNC's transition for season 2025, the Central Rivers Board remains committed to supporting the club's future endeavours and fostering a collaborative environment among all Central Murray and Golden Rivers clubs as we prepare for what the 2026 season and beyond may look like.

We appreciate the ongoing support of the broader community and stakeholders during this process.
